**Subject: One-Time relaxations to the ITI applications of Year 2020(NIMI & Old TCS portal Applications)-reg.**

Madam/sir,

The Directorate General of Training (DGT) opened the NIMI portal in February and March 2022 so that applicants could complete their applications for affiliation on NIMI portal. However, in order to give one more time, it has been decided to open the NIMI portal from 16<sup>th</sup> June 2022 to 25<sup>th</sup> June 2022 so that the applicants can complete their applications. The applications which remain incomplete after 25<sup>th</sup> June 2022, will not be considered for further processing.

Further, to clear the affiliation backlog, it has been decided to take following steps:

1. Applicants who have not paid fees or have not completed application on NIMI portal (as on 25<sup>th</sup> June 2022) will not be considered for the session 2022. These applicants can apply for next session by completing their applications.
2. State Directorate should complete the Desktop Assessment of the applications pending at Stage 1.
3. The Applications pending at Stage2 & stage3 will be moved directly to "Ready to Inspect" stage.

RDSDEs Shall follow-up case with state Directorate and create the inspection batches for "Ready to Inspect" stage ITIs.

The applicant receiving the Affiliation order till 31<sup>st</sup> July, 2022 will be permitted for session 2022.

This is a onetime relaxation under exceptional circumstance and should not be taken as precedent in future.

This issue with approval of competent authority.
